

EVENTS MODULE UPGRADE

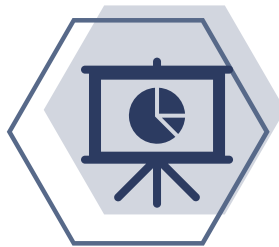

Conference

MYMEMBERSHIP®

We've upgraded our events module. The new improvements include:

- General fixes
- New bulk Email booking link has been created to allow faster booking for members
- Corporate payment for company sponsored events now available

- Event setup summary report;
- Event summary details for event information; and
- Editing of delegates now available

- Speed improvements to deliver content faster
- Group bookings can now be processed
- External booking forms can now be added
- Standard registration forms can now be developed and reused

To book a training session on the new improvements to the event module, please email michele@e2.co.za
